We are passionate performing arts specialists, providing tuition and training in education and in the wider community. We take great pride in every course we teach and have a highly interactive and engaging teaching style that has made us an extremely popular performing arts provider in Surrey.

What can my child expect? This fun and energetic after school club is designed for young children to explore music, movement, and creativity through songs and dance. Each session includes singing popular children's tunes, learning simple choreographed routines, and playing rhythm-based games. The club helps build confidence, coordination and social skills in a supportive and playful environment. No prior experience needed—just a love for music and having fun!

If your child LOVES to SING, DANCE, ACT and PLAY, then this is the club for them. As a participant of 'let's Perform' club, we believe that looking your most confident and professional helps enormously with feeling confident and professional. Therefore, Inner Ambition club t-shirts will be included in your sign-up fee and are required to be worn to club. Children may opt to wear shorts or leggings.
