Dear Parents and Carers,

Thank you for popping in today to see what the children have been learning since the start of term and making the most of the opportunity to see the classrooms and meet staff. We know the children love these events and we always look forward to seeing you all!

This week we have had some exciting trips, visits and speaker events happening in school:

On Tuesday Year 5 started their swimming lessons – this year we are hiring The Meath School pool and the Tiny Terrapins teacher to run lessons for all children in Years 3, 4 and 5 and I have to say that we were very pleased with how well the children behaved, how well they engaged in the swimming and we are all relieved to not have to battle through traffic with the children on a coach at the end of the day 😊.

On Wednesday, Year 3 went to Church to enjoy some reflective activities and build on their Belonging and settling in work as they begin their journey through the Junior School. It was a very calm and lovely morning and I am very grateful to Rev Mark, our friends at Christ Church and our parent helpers who made this possible for the children.

On Thursday, Year 5 had another exciting time as the Education Officer from Surrey Fire and Rescue came to work with each class – I hope the children came home telling you all about ‘Stop! Drop and Roll’ and other life saving information (if they didn’t, we are sending details out separately to the year group)!

New Clubs at the Juniors during the school day

As already mentioned, teachers will now be offering craft sessions on the playground at lunchtime during OPAL time (starting very soon – keep the donations coming in please).

We will also be offering;

Choir at 8.15am on a Wednesday morning. We have 21 spaces available for new choir members at the Junior School this term and these will be allocated on a first come, first served basis. Please see separate details on the choir letter as it will be essential that your child is able to arrive early each week and is available to come with us to Young Voices at the O2 Arena on 24th February.

Netball for girls in Years 5 and 6 on a Thursday lunchtime, starting next week (no PE kit needed, just bring trainers to change into and no need to reserve a place). Thank you to Mrs Lister and Mrs Gale for helping us offer this 😊.

School Council and Positions of Responsibility

We will be running elections and voting for our School Council and Head Student Team (also known as Head Girl, Head Boy and Deputies) next week. Please help your child plan what they would like to say – whilst the Head Girl and Head Boy speeches can have a Powerpoint presentation for support this will need to be emailed no later than Monday morning to the school office and there is a maximum of 4 slides per speech (otherwise it becomes Death by Powerpoint and they lose their audience). School Council is a simpler affair, to a smaller audience and a Powerpoint is not needed. Please note, we do not accept anything on an external device (including a memory stick).

Whilst we will announce winners on Friday 26th September, we will be sending a Top Secret letter to parents of winners at the Junior School as we have been offered the chance to take our Junior

School Council and Head Student Team to visit the Houses of Parliament on Wednesday 8th October and we know advance warning for parents is essential (especially as we need parents to drop the children at the Brewery Road car park in Woking for this trip – we are travelling by train for this visit as parking near the Houses of Parliament is always restricted).

If your child is in Year 4 and is voted as School Council they will have the choice of which trip they would prefer to go on as Year 4 have their own visit planned on the same day.

Parent Volunteers Needed!

As always when planning trips or events we need plenty of parent helpers to make the events successful, please consider volunteering at any of our up and coming events using the links below.

Finally, one of our partners of the Good Shepherd Trust Schools is offering a **Parents Only** online safety workshop, hosted by the Breck Foundation and have extended the opportunity to **parents at Ottershaw**:

We have organised a parent online session from the Breck Foundation on **Monday 22nd September** at **6pm - 7pm** for **parents only**, which we believe will be very beneficial for parents to understand online safety. The parent and carer talks are a great opportunity to highlight the importance of communication with our children about the dangers they face online every day. This ultimately increases the family's wellbeing by opening up lines of communication. These sessions include:

Breck's story

Scrapping the stereotypes. Who or what is a groomer, and what are the types of grooming your child may be exposed to?

How to have that awkward parent-child conversation, gaining trust and sharing your concerns about online safety.

Where to find help – signposts to other useful organisations
