We perceive that our spending in all areas has had a positive impact on the engagement of our pupils in PE, sport and well-being, and would cite the following as areas where the spend has been the most impactful:

- **The ability to use a local swimming pool and offer 'top up' swimming to all children in Y4 and Y5, alongside our normal swimming programme for Y3 children.**
- **The introduction of our OPAL activities to enhance lunchtime play.**
- **The range of opportunities our children have to experience and compete in inter-school competitions and festivals**
- **The continued benefits to well being that our internal enrichment and enhanced pastoral support offers our pupils (including our Forest School programme).**
