Dear Parent / Carer

### **Statutory Inspection of Anglican & Methodist Schools SIAMS**

It is my pleasure to commend to you the SIAMS report for the school your child/children attend. All Church of England schools are inspected under statute as set out in Section 48 of the Education Act 2005.

A SIAMS inspection takes place within five years of the last inspection. The inspection is designed to assess four key aspects of effectiveness as a Church school:

Meeting the needs of all learners Collective Worship Religious Education Leadership and Management
---

The grades are: excellent; good; requires improvement; inadequate.

### **The school has been judged to be Excellent The grading for the impact of collective worship is Excellent**

The quality of the educational experience of the learners and the standards achieved is at the heart of the inspection process.

I hope you find this report valuable in understanding how effective the school is as a Church of England school, what it does well and how it can further improve.

Yours sincerely

Alex Tear  
Diocesan Director of Education

Dear Parents,

I do hope you enjoy reading this glowing report.

It is testament to the hard work of the Ottershaw Team of staff and Governors who continually strive to provide a high quality of education for all children and support our Christian foundation.

I have to say, we are all thrilled with the result!
